

MIAMI VALLEY
CENTRE MALL

"The Centre of Your Life!"

February 2, 2012

To Whom It May Concern:

I have managed The Miami Valley Centre Mall in Ohio for the past 17 years and have had The Avalons perform for various events throughout those years. Not only have they performed at special events *inside* the mall, but have also opened for The Marshall Tucker Band in 2007 and Chubby Checker in 1997 during the mall's *outside* Spectacular Summer Cruise-in & Concert events.

The Avalons require very little in their contract and always provide a high-energy show featuring not only musical talents but comical and dance routines also.

The Avalons have a very large following of fans and you will be very happy with the turnout of an event due to their loyal fan base.

I highly recommend this entertainment group for an event of any type. They adapt to the venue and holiday season quite well too. They can also personalize their show to fit your needs.

Should you have any questions, please feel free to call me.

Sincerely,

Peggy Henthorn
Regional Manager
